

IRS Circular 230 Disclosure:

Tax regulations require us to advise you that, unless otherwise specifically noted, any tax advice in any part of this website (including any attachments, enclosures, links, articles, planning tools, calculators or other accompanying material) was not intended or written to be used, and cannot be used, by any taxpayer for the purpose of avoiding tax penalties or for promoting, marketing, or recommending to another party any transaction or matter addressed herein. Any user of this website should seek the advice of a competent, independent tax professional regarding that user's particular circumstances.
